HOW TO APPLY

Q: When can my organisation apply for a 2026 Stockland Aura Community Grant?

A: Applications can be submitted from 5.00pm (AEDT) on Monday 20 July 2026. Applications will not be accepted after 5.00pm (AEDT) on Monday 31 August 2026. No extensions to this deadline will be made under any circumstances.

Q: Can I start an application and come back to it later?

A: Yes. You can start your application and return to it later before submitting. Please note that as the closing time approaches, many applicants may be logging into the portal at the same time, which can cause the portal to run slowly. We strongly recommend completing and submitting your application well before the final hour of the last day, rather than leaving it until close to 5.00pm. Applications must be submitted before the closing date and time, and incomplete submissions cannot be accepted.

Q: How do I describe the primary services/activities provided by my organisation?

A: Please include information such as why the organisation exists, what it does, who it helps, and the outcomes it provides to the community.

Q: Is there a word limit I must adhere to when completing the online application form?

A: Yes. Word or character limits are identified in each extended answer question on the online application form. Once you reach the limit, the form will stop you from being able to enter any more text.

Q: Can my organisation submit more than one application for the same Initiative?

A: No. Applicants cannot submit more than one application for the same Project or Initiative.

Q: How many times can my organisation enter the Stockland Aura Community Grants Program?

A: Applicants cannot submit more than one (1) Application.

Q: Can I submit a hard copy application?

A: No, we request that all applications be submitted online.

Q: Will I receive an email confirmation that my application has been successfully submitted?

A: Yes. Once you submit your application, you will receive a confirmation email to the contact email address included in your application, which outlines the details of your application for your records. If you do not receive a confirmation email, it is likely that you have not clicked "submit", which means your application has not been submitted and will not go through. Please log back into the portal and ensure your application is submitted. Incomplete submissions cannot be accepted after the closing date. If you believe you have submitted your application but have not received a confirmation email, please email stocklandaura@good2give.ngo.

ELIGIBILITY

Q: How do I know if my organisation or group is eligible to apply?

A: The Program is intended to support eligible community organisations, groups and associations that deliver a charitable or community benefit.
